

INVACARE® TOP END®

Basketball Series Wheelchairs

Fast breaks, back picks and finger rolls. Get your team to the next level with the Invacare® Top End® starting lineup of performance basketball chairs.

Paul Schulte Titanium Signature Series BB Chair shown with optional double swivel anti-tip, click straps and Spinergy® Spox Wheels.

The Starting Lineup

- The Invacare® Top End® Paul Schulte Signature Series BB Chair is designed for elite players and delivers custom-built performance in a welded-to-perfection design suited for the play-making guard, power forward or big man in either titanium or aluminum.
- The Invacare® Top End® Pro BB Wheelchair Series takes adjustment to a totally new level with its welded base frame and totally adjustable top frame. Perfect for any player who is dialing-in his or her position and wants quick and easy adjustments.
- The Invacare® Top End® Transformer All Sport Chair completes the lineup with a totally adjustable chair aimed at new players who also want a chair that can be used for more than one sport.

Four bend wing. Compact and great for dribbling.

Round wing with round gussets for smooth turning.

Bumper/omit wing for a more defensive setup.

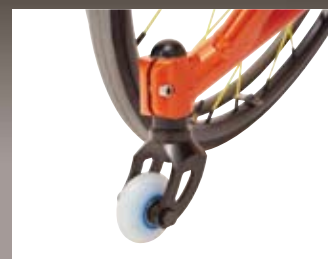

Double amputee front-end option.

Optional adjustable height double swivel anti-tip/fifth wheel.

Adjustable height fixed single swivel anti-tip/fifth wheel is standard.

Adjustable height fixed swivel anti-tip with 58mm fifth wheel for the quickest turns ever.

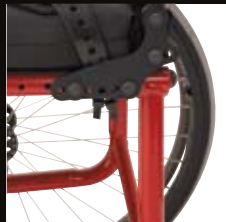

Smart fork system featuring inset bearings for fast and smooth turning. No caster caps to fall off.
