Top End® T-5™ Tennis Elite™ Chair

Top End Transformer All Sport
shown with offensive wing
removed for tennis

The Top End® Adjustable Tennis Chair

For new players adjustability is key. The **Top End Transformer All Sport** has just that, featuring adjustable front and rear seat heights, center-of-gravity, footrest angle/height, backrest angle/height and anti-tip.

Plus, the **Transformer All Sport** is available in two frame height choices - short or tall. The short frame is ideal for children and the tall frame is for adults which makes this chair a great choice for programs that have multiple users. Easy to adjust, lightweight and durable. This chair is a winner.

Features

- Custom aluminum frame
- Adjustable front and rear seat heights
- Fixed back w/fixed or adjustable height
- Adjustable tension seat upholstery
- Adjustable axle position
- Fixed camber 15°, 18° or 20°
- High performance Sun® wheels:
22", 24", 25", 26" or 700C
- Anodized pushrims
- High pressure clincher tires
- 3" front wheel(s) w/matching mini-fork
- Adjustable height footrest
- Powder coat paint

Options

- Spinergy® Spox wheels
- Adjustable tension back upholstery
- Cross spoked wheels
- Adjustable camber system
- Extra camber tube
- Lighted front wheels
- Click straps
- Side guards
- Titanium fork stems
- Titanium axles
- Titanium pushrims
- Frame protectors
- Custom strapping/toe clips
- Alignment gauge

The Top End®
T-5™ Tennis Elite™
Chair. Available in
Titanium or
Aluminum

The **Top End T-5 Tennis Elite** is for the professional players who can't afford to compromise. Top End specializes in making chairs that are engineered to maximize your performance. The Top End T-5

continues this tradition of excellence with its custom-built welded-to-perfection four-wheel design, Ask World Champion Robin Ammerlaan, *he won't compromise.*

NEW fixed swivel anti-tip/5th wheel with adjustable height.

NEW smart fork system featuring inset bearings for fast and smooth turning. No caster caps to fall off.

Custom front frame angle, foot space width, axle position and wheelbase.

Adjustable center-of-gravity option

Three Top Choices – All Built to Win.

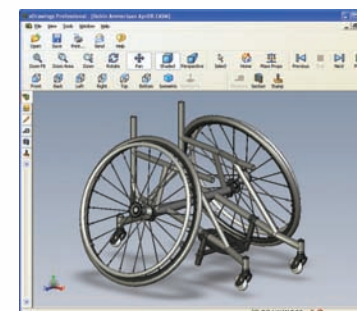

- **The Top End T-5 Elite Series** is designed for the professional or elite player. This tennis chair delivers custom-built performance in a welded-to-perfection design which includes fixed seat heights, anti-tip, wheelbase and axle position.
- **The Top End T-5 Elite with new Adjustable Center-of-Gravity Option** targets the advanced player who wants the same great performance as the T-5 Tennis Elite but is still dialing in their game.
- **The Top End Transformer All Sport** (shown on back cover) is totally adjustable and perfect for new players or teams.

Product enhancement continues...

Foot placement is key in tennis. The **T-5 Tennis Elite** is now available with three footrest choices: the standard tubular footrest, adjustable angle footplate or recessed adjustable angle footplate (which has been also known as the T-4 style). The T-5 is designed to fit you perfectly and move with minimal effort. To maximize this, many athletes secure themselves with sideguards, click straps and toe clips.

Now Available Per Request!
